Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

In the matter of the above-identified application for United States Letters Patent and in response to the Office Action mailed May 18, 1994, kindly enter the following amendments and consider the following remarks relative to reconsideration of the present application.

REMARKS

In his Office Action of May 18, 1994, the Examiner stated that the graphic representation of the heart disease data submitted with Applicant's communication of March 10, 1994, did not show a distinction between the bars of the graph. The Examiner noted that it appeared that the bars of the
